

Video is the one of the most effective ways to market products, companies and events. Global Promo has created a cost-effective solution to share your company's brand and information with minimal or no-added cost using our Distributor Self-Promo Video Mailer.

## Personalize a Video

Select any video from our library and we will personalize that video with your contact information. We will also upload the modified file to your Self Promo Video Card.

## Create a Slide Show

Submit a group of images and we will gladly create a slide show and upload that slide to your Self Promo Video Card.

## Insert Your Flyer or Bus. Card

Do you have a company flyer you would like to send out with your Self Promo Video Card.? The 4.3" video card has a pocket just for that purpose.

## Your very own Website

We've saved the best for last! We will customize our VidU site with your company logo and contact information. Example: [vidumarketing.com/yourname](http://vidumarketing.com/yourname). WOW!
